WILLIAMS WINS IN HARD FOUGHT GAME

Judge Holub and his white hosed athletes added another game to their string of victories last Sunday. Jerome came up with a large aggregation of ball players and enthusiastic fans, and tasted defeat for the first time this season. It was an interesting game from start to finish and aside from the second inning when the local team was affected with "stage fright," the game was a real "big league" performance.

Nettle, the Jerome twirler, had lots of smoke and plenty of speed and for a time it looked as though the locals were due for a shutout. Williams was game, however, and came back strong toward the finish and pulled the game out of the fire. Another slabster was uncovered in the "Indian" who twirled an excellent game for the locals. Spillar's work behind the bat was again in evidence and his hits came at opportune moments. Yellow Jacket again displayed a variety by playing first base as it has never been played before, and his catches of difficult throws resembled an alligator feasting on flies. It is reported that Bowman took his first lessons playing first base when a boy watching the alligators on the bayous in Louisiana and Texas taking their noon meal. Joe Thomas at second and Captain Kline at third proved a stone wall, and the Jerome sluggers could not penetrate the infield defense. Ramon as usual starred at short and batted in mid season form.

The score was Williams 9, Jerome 8.

The attendance was the largest of the season and with the brand of ball the boys are playing should prove an average crowd for the remainder of the season.

Prescott, considered the strongest team in northern Arizona, will cross bats with Williams on Sunday, and should prove the hardest tussle of the season. The boys, however, feel confident of winning.

A baseball dance will be given tonight for the benefit of the club and a cordial invitation is extended to all local fans to turn out for the evening. A good time is assured.

W. S. Adams, editor of the Jerome News, a pioneer journalist of Arizona, accompanied the excursionists from the smelter city to Williams last Sunday. This was Mr. Adams first visit here in many years and he expressed himself as well pleased with the appearance of the town.

There was no public observance of Flag Day in Williams last Saturday, but from every flagstaff in the city Old Glory floated in the breeze.

IT WILL SURELY BE A BIG CELEBRATION

THE NEWS expected to publish the Fourth of July program this week, but the best laid plans of newspapers, like those of men and mice, "gang aft aglee." However, it will appear next week.

A meeting of the committee of arrangements was held Wednesday evening, but owing to the absence of some members, it was decided to adjourn until next Monday evening. The Sultana theater will be the meeting place, and it is urged that every member of each committee be present.

Anticipating the program, The News can assure its readers that the three days' celebration in Williams this year will be the most pretentious ever attempted. Advices have already been received that the attendance from points along the Santa Fe, both east and west, as well as from the more remote sections, will be large. A big delegation from Phoenix, traveling by automobile to the Grand Canyon, will reach here on July 5th to partake of the barbecue that will be served in the most appetizing style of the culinary art. Former celebrations have always been successful, and this year Williams promises to more than make good.

The three days' sports will be pleasing alike to men, women and children. Everything that goes to make up a real, first class, genuine Fourth of July blow out will be included in the program. There will be races and games for young and old, a barbecue, broncho busting, a ball game each day with some of the crack teams of Arizona, pyrotechnic displays, and terpsichorean revelries, including the bunny hug, turkey trot, tango, or any other old way one prefers to indulge in the mazy waltzes of the dance.

THE NEWS wishes to impress on the minds of each individual member of the several committees that his presence at the Sultana theater next Monday evening is not only earnestly requested but urgently insisted upon.

Hon. L. B. Christy, president of the Valley Bank of Phoenix and mayor of the Capital City, with his family, stopped off in Williams for a short time Friday morning. The party were returning from a visit to the Grand Canyon and other points of interest in this vicinity.

Quite a number of traveling men in town this week and all unanimous in the opinion that for superb climate, as well as from a business standpoint, Williams is away ahead of any other place on the Santa Fe line.

ROBBED WHILE HAVING HIS FORTUNE TOLD

It was Bret Harte who remarked that "for ways that are dark and for tricks that are vain the heathen Chinese is peculiar," but that famous western writer evidently had never come in contact with the gypsies, or at least with the class of these nomads now infesting Arizona. If he had, he would have had to acknowledge that for ways that are dark the gypsy has the Celestial

skinned nine ways from the deuce Tuesday last a band of about 30 of these extremely undesirable citizens took its departure from Ash Fork, by the east-bound evening train, at the earnest request of citizens of the junction city. Between that point and Williams a female member of the nomadic aggregation persuaded a Mexican passenger to have his fortune told. The Mexican, complying, drew forth his pocketbook, extracting from it 10 cents, in silver, with which he crossed the gypsy's palm. The woman, muttering some incantations, requested her subject to close his eyes. While under the hypnotic influence of the sibyl, another member of the gypsy band snatched the Mexican's pocketbook, which contained the sum of \$60.

Deputy Sheriff Patten met the train on its arrival here. It was plain that the robbery had taken place, but the Mexican was unable to identify the person who had filched his purse, and so the band of gypsies was perforce permitted to go on its way rejoicing.

Hudgings-Haskins

One of the prettiest and simplest weddings possible was celebrated at the home of Mrs. Haskins, where her daughter Ruth became the happy bride of Welker Hudgings, of Flagstaff, Rev. Wm. R. Winans, pastor of the Methodist church, officiating.

Miss Haskins is well and favorably known as one of our esteemed public school teachers. Mr. Hudgings is an energetic and prosperous business man of Flagstaff, an electrician, for eight years with the same firm.

At 7 a.m. Thursday, June 19, the bridal party entered the room where the mother of the bride and a few of the most intimate friends from Flagstaff and Mrs. Winans, wife of the officiating clergyman, witnessed the ceremony.

After the ceremony a most delicious and delicate breakfast was served. Beautiful flowers decorated the table and the room.

The bridal gown and bouquet were delicate and most beautiful.

Mr. and Mrs. Hudgings go to Flagstaff, where a cozy home already provided by the groom is awaiting them.

Mrs. Haskins leaves Williams to spend some time in Kingman.

The best wishes of all follow both mother and daughter, and our congratulations are extended to the groom.

A Honeymoon Hike

Among the callers at The News sanctum Wednesday were Mr. and Mrs. Eldridge Pledger, who are on their honeymoon trip from San Francisco to New York. They are doing the hike act, having two burros to transport their baggage. The couple started from the city by the golden gate on March 24th and expect to reach the eastern metropolis about Christmas time. Mr. and Mrs. Pledger tell some interesting tales of their adventures by mountain and desert since starting on their journey and intend to write a book embracing a history of the trip. They make expenses by giving song and dance exhibitions at vaudeville theaters along the route.

Father Vabre spent Monday afternoon in town from the county seat.
